Host a Kindness Drive

Collect coats, toys, snacks, or care items for neighbors in need. We'll help you every step of the way.

SIX SIMPLE STEPS

1 Pick your drive
Choose one of the drives below, a goal (like 50 coats or 100 snack bags), and dates. Two to three weeks works well.

2 Tell us about it
Register at posturedinkindness.org/host-a-drive.html or email info@posturedinkindness.org. We'll send you a flier.

3 Make your box
Cover a sturdy box in wrapping paper (ours is black with gold stars), tape the flier on the front, and set it where people walk by.

4 Spread the word
Share the flier in group chats, newsletters, morning announcements, and on social media. Tag @posturedinkindness.

5 Hand it off
When your drive ends, email us and we'll set up a pickup or drop-off time. Count your items so we can share your impact.

6 Celebrate
We'll thank your group on our social media. Students can earn community service hours for helping.

TIPS FOR A GREAT DRIVE

- Set a goal and post your progress. People love to help finish.
- Try a friendly competition between classes, teams, or departments.
- Put a second box near the busiest door.
- Give a reminder halfway through and again the last week.

PLEASE KEEP IN MIND

- Clothing and coats should be clean and in good condition.
- Toys should be new and unwrapped.
- Food should be sealed and not expired.
- No open or used hygiene items, please.
